Stephanie:

Thanks - We will review and get back to you. The CPG has some reservations about NJDEP Specific Comment #1's request for characterizing sediments following Sandy that is a DQO that is outside the scope of this QAPP and the RM 10.9 Removal Action. There are other comments that we will likely need to discuss with EPA.

Thank you for quickly forwarding the comments.

Hi Rob,

Here are NJDEP's comments on QAPP Addendum D. In the interest of time, I'm sending them as-is, while we are completing an internal review.

Please let me know if you have any questions or concerns.

Thanks,
Stephanie
